**VICE PRESIDENT - GLOBAL SUPPLY CHAIN ENGINEERING**

VISION

BUILDING A ROAD TO SPACE  
FOR THE BENEFIT OF **EARTH**

We envision a future where millions of people will live and work in space.

A black and white photograph of a spacecraft in space, viewed from below. The spacecraft is white with dark markings and is surrounded by a large, billowing cloud of white vapor or smoke. The background is a dark, starry space.

OUR MISSION

TO RADICALLY REDUCE

THE COST OF ACCESS OF SPACE

OUR MISSION

TO HARNESS THE

**VAST RESOURCES**

OF SPACE

A large group of diverse children and teenagers are posed in several rows. In the center of the group, a man with a shaved head, wearing a dark shirt and a grey blazer, is smiling. The children are wearing blue t-shirts with the text "CLUB FOR THE FUTURE" and a graphic of a globe. The background is dark with some blue lighting.

OUR MISSION

TO INSPIRE & MOBILIZE

FUTURE GENERATIONS
